**WEB 2.0 TOOLS:** Technology serves a major function in our classroom, and online tools can be used for communication, collaboration, time-management, document storage, and increased student engagement. Throughout the school year we will be using different websites for educational purposes. These websites are commonly referred to as Web 2.0 tools. Some of these Web 2.0 tools require the teacher to provide your student with a username/password to access the site and its content. The information can include a student's first and last name, his/her ID number, and the school name. This information is kept confidential by the site and not used for any purpose other than account creation. Because of your student's age, the Children's Online Privacy Protection Act (COPPA), federal legislation which aims to protect children when using the Internet, requires that Dubuque Community Schools notify you to obtain permission for your student to use these web sites. I acknowledge that I have been informed about the possible use of Web 2.0 tools by my student at Dubuque Community Schools for education purposes during the school year. I consent to my student using Web 2.0 tools in school. [ ] YES [ ] NO

**PARENT-STUDENT HANDBOOK:** The Dubuque Community School District Parent-Student Handbook contains federal, state and district policy information which is required to be distributed annually by the district, including instructions on how to withhold a student's directory information. The handbook can be accessed online at [www.dbqschools.org/parents/documents/parent-student-handbook](http://www.dbqschools.org/parents/documents/parent-student-handbook) or you can request a printed copy from any district school. I acknowledge that the handbook was provided to me in email, is available on the district website, and that it is my responsibility to read the information in the handbook. [ ] YES [ ] NO

**MEAL PROGRAM INFORMATION LETTER:** Dubuque Community School District students may be eligible to receive free or reduced-price meals (breakfast and lunch) in accordance with guidelines set forth by the National School Lunch and School Breakfast Programs. Details about the Free and Reduced-Price Meals program and application can be found in the information letter available at [www.dbqschools.org/meals-information-letter](http://www.dbqschools.org/meals-information-letter). The application can be completed online at [www.dbqschools.org/meal-programs](http://www.dbqschools.org/meal-programs) or you can request a printed copy from any district school. I acknowledge that the Meal Program Information Letter was provided to me by email and is available on the district website. [ ] YES [ ] NO

**(GRADES 6-12 ONLY) SCIENCE STUDENT SAFETY CONTRACT:** To ensure a safe science classroom, a list of rules has been developed in the form of a student safety contract. All students will receive this contract at the beginning of each science course and must agree to follow the rules set forth in the contract prior to participating in the laboratory. The Science Student Safety Contract can be found online at [www.dbqschools.org/science-safety-contract](http://www.dbqschools.org/science-safety-contract) or you can request a printed copy from any district middle or high school. I acknowledge that the science student safety contract is available on the district website and it is my responsibility to read the contract, review it with my student, and know the measures taken to ensure the safety of my son/daughter in the science classroom. [ ] YES [ ] NO
