PARENT-STUDENT HANDBOOK

DISTRICT WEBSITE

» www.dbqschools.org

The Dubuque Community School District website is the official electronic communication tool for the district. Parents and students will find a variety of helpful, timely information throughout the site, including the following:

- School Calendar
- School Board Policies
- School Board Agendas
- School Delay Info
- Staff Directory
- Calendar of Events
- Lunch Menus
- Registration Schedules
- Open Enrollment Details

Look for frequently used webpages referenced throughout this handbook for your convenience.

ASBESTOS NOTICE

Asbestos is an issue we have been dealing with for many years. The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA) was enacted to determine the extent of and develop solutions for any problems schools may have with asbestos.

To give you some background, asbestos has been used as a building material for many years. Asbestos' properties made it an ideal building material for insulation, sound absorption, decorative plasters, fireproofing, and a variety of miscellaneous uses. EPA began action to limit uses of asbestos products in 1973 and banned most uses of asbestos products as building materials in 1978.

Periodic surveillances are completed and documented every 6 months, and the management plans are updated every 3 years as required by AHERA.

The Management Planner has developed an asbestos management plan for our facilities which includes: this notification letter, education and training of our employees, and a set of plans and procedures designed to minimize the disturbance of the asbestos containing materials, and plans for regular monitoring of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our Buildings and Grounds Offices during regular office hours. All inquiries regarding the plan should be directed to Rob Powers, Assistant Manager of Buildings and Grounds, who is our Asbestos Program Manager.

Our intent is not only to comply with, but exceed federal, state and local regulations in this area. Our plan is to take whatever steps are necessary to ensure that our students and employees have a healthy, safe environment in which to learn and work.

PUBLIC NOTICE: TITLE IX

The Dubuque Community School District does not discriminate on the basis of sex in admission to or employment in its education programs and activities. Inquiries regarding Title IX and the Title IX regulations can be referred to the designated Title IX Coordinator.

The district is also committed to creating school environments which are free from any form of sexual harassment or discrimination.

WEATHER-RELATED INFORMATION

Inclement weather may cause the district to cancel school, delay start times or release early. This decision is based on district-wide conditions, on-site observations and weather reports.

When a schedule change is made due to inclement weather, families will be notified by phone, email and/or text message using the district's mass notification system. The district's inclement weather line (563/552-3035), website (www.dbqschools.org), and social media channels (facebook.com/dbqschools and twitter.com/dbqschools) will also be updated and area television and radio stations will be notified of the change. When a full day is canceled, it is made up at a later date.

NOTICE OF NON-DISCRIMINATION

The Dubuque Community School District will not discriminate in its educational activities on the basis of age, ancestry, color, creed, familial status, gender identity, marital status, national origin, physical attributes, physical or mental ability or disability, political belief, political party preference, race, religion, sex, sexual orientation, or socioeconomic status and provides equal access to the Boy Scouts and other designated youth groups.

The Dubuque Community School District offers Career Technical Education (CTE) programs in the following service areas:

- Applied Sciences, Technology, Engineering, and Manufacturing
- Business, Finance, Marketing, and Management
- Health Sciences
- Human Services
- Information Solutions

To be admitted for CTE courses, students must meet the necessary course prerequisites. The district will not discriminate in determining CTE admission and participation. Lack of English language skills will also not be a barrier to admission and participation in the district's CTE programs.

For the full policies, see SCHOOL BOARD POLICIES #1001 AND #1005.

ERRORS AND OMISSIONS

The Dubuque Community School District has taken every effort to ensure the accuracy and timeliness of this publication. In the event of a typographical error or omission, the official documented board policy or board action will serve as recognized policy. Some policies may be revised throughout the year.

The most current policies can always be found at:
www.dbqschools.org/schoolboard

Fall 2022

Dear Families,

I always love the energy that comes with a new school year!

The excitement of seeing friends, returning to our learning communities and even settling back into a routine after the busy summertime is a special feeling.

As we kick-off the 2022-2023 school year, I share this excitement in a new way as I begin my first year as superintendent.

I'm extremely proud to work with our amazing team of approximately 2,000 education professionals across the district – each of whom is dedicated to the success of your student and to our broader district mission:

To develop world-class learners and citizens of character in a safe and inclusive learning community.

As we live this mission, our entire staff and our volunteer elected Board of Education are committed to providing your student with the highest-quality learning experience possible. Please know that we are here to support your student and family through this journey.

Throughout this handbook, you will find important information to get the year started, including federal, state and district policy information, some of which we are required to distribute to you annually. Please take a moment to review the information in the handbook. It is an important resource to help navigate the district, its offerings and policies.

I hope as we begin this year that you will continue to be active in your student's education. Get involved at their school, communicate concerns or changes should they arise, and always encourage strong attendance.

Together, we will prepare our students for a lifetime of success!

Sincerely,

A handwritten signature in blue ink that reads "Amy Hawkins". The signature is written in a cursive, flowing style.

Amy Hawkins
Superintendent of Schools

» MISSION + VISION + VALUES

MISSION

TO DEVELOP
WORLD-CLASS
LEARNERS
AND CITIZENS
OF CHARACTER
IN A SAFE AND
INCLUSIVE
LEARNING
COMMUNITY

VISION

Unfolding the potential of every student by empowering the teacher/student relationship through:

- promoting the roles and responsibilities we all have in the 21st-century learning process;
- removing barriers;
- creating an environment where character and citizenship count;
- leveraging content knowledge to become critical thinkers and problem solvers; and
- providing multiple pathways to unlocking student potential.

VALUES

The Board of Education values:

- Essential skills of digital-age literacy, inventive thinking, effective communication, and high productivity
- Innovative programming options
- Extra-curricular activities and character development
- Building leadership capacity for all employees
- Community engagement and multiple ways of communication
- Being transparent, ethical, equitable and using resources wisely

Want to see the MISSION, VISION and VALUES come to life?

Look no further than the district's strategic plan. Online now at www.dbqschools.org/strategicplan.
