Last Day of School

Principal's Corner

Save the Date: The 5th grade Celebration of Learning Day is set for **Friday, June 3 at 2:00 p.m.** We are looking forward to seeing everyone and sharing our collection of work throughout our years at Marshall. Once the program ends, you will be allowed to take your child with you.

Pool Day: Our end of year Pool Day has been scheduled for **Monday, June 6** (weather permitting). Please watch for more information on Pool Day to be coming home soon.

Last Day of School: The last day of school for the 2015/16 school year is scheduled for **Monday, June 6**. This is a full day of school.

Contact Information: Please be sure to contact the school office if your contact information (address, phone numbers, etc.) has recently changed. It is always good for the school office to have the most accurate contact information for each family. Additionally, we want to ensure that registration information for the 2016/17 school year is sent to the correct addresses.

St. Mark's...

The last day for all St. Mark's programming for the 2015/16 school year will be **Friday, June 3.**

Leisure Services...

The last day for all Leisure Services programming for the 2015/16 school year will be **Friday, May 27.**

Donation...

Thanks to Mr. Potts, the principal at Kennedy, for their recent donation of two kick balls to the students at Marshall.

It's a Great Day to be a Marshall Eagle!

Fifth Grade News...

Celebration of Learning:

Mark your calendars! On Friday, June 3rd, the 5th grade Celebration of Learning will begin at 2:00 P.M. Students will be recognized for their involvement in extra activities and will have the opportunity to share their portfolios with their parents/guardians. We will finish with a short PowerPoint presentation and have refreshments when finished. Parents/Guardians are encouraged to attend and will be able to take their child home when finished.

With the end of the year coming to a quick finish, we would like to take some time to recognize some students who have gone above to help Marshall School run more smoothly. These students have volunteered their own time to “work” at Marshall School.

Counselor News...

We will be focusing on transitions as we wrap up classroom guidance this year. Students will hear about classroom expectations and learning opportunities from students in the next grade level. It is always an exciting class for students as they begin to think about what next school year will be like.

Although many students have a sense of excitement as they think about moving up, anxiety can also be normal when transitioning to a new grade or school. Some children will be affected by grade/school transitions more than others.

Whether your child is entering school for the first time, starting middle school, or just moving up another grade, preparing your child is very helpful and important: Focus On The Positives: new friends, new teachers, and new opportunities!

Address Fears: listen to and validate your child’s fears, talk about fears you had at their age and how you handled it. This can help to normalize those fears and ensure your child that he/she is not alone in feeling that way.

Attend School Events: take advantage of orientations, many include opportunities to speak with your child’s teacher and exchange important information about him/her.

Reach Out For Support: if your child is experiencing high levels of anxiety about the upcoming transition, consult available resources, the school counselor or the teacher.

Happy Summer!
