Marshall Field Day

Last Day of School

## **Principal's Corner**

**Walk-a-Thon:** Just a reminder to have all donations for our Marshall Walk-a-Thon to school no later than Friday, May 12.

**Family Fun Night:** The Marshall PTO will once again sponsor our Family Fun Night on Thursday, May 18. This event will begin at 5:30 p.m. and conclude at 7:00 p.m. We will have food, games and fun for families. This event is open to ALL Marshall families.

**No School:** We will not have school on Monday, May 29.

## **Marshall Track Team...**

On Thursday, May 4 the Marshall Track team competed in the DCSD Elementary Track Meet. Our students did an outstanding job of representing Marshall Elementary School.

As part of the Elementary Track Meet, coaches and volunteers vote for the school they feel best demonstrates outstanding sportsmanship. The winning team is awarded the Dick Weitz Sportsmanship Award. This year the students from Marshall Elementary School were the recipients of the Dick Weitz Sportsmanship Award. We are so proud of these students as it recognizes all of the hard work from students, staff and families. Congratulations to our Marshall Track Team!

## Kindergarten News...

It is so hard to believe we have reached the end of the school year! It seems like yesterday that our new Kindergarteners were learning the ropes of the classroom environment. Boy have they ever! We are so proud of all that they have accomplished this year!

In Lead 21, we have just completed Unit 7, Actions and Words. We learned that what we say and do has an effect on others, as well as the world around us. We focused on being productive members in our community, and doing our part to make a difference. Unit 8 is Working Together, with an emphasis on teamwork and community service. For fieldwork opportunities with this unit we will travel to Eagle Point park to help clean up the park as a Kindergarten team and enjoy the rewards that the park has to offer.

In Math, we are fine tuning all of our basic skills that we have learned this year. We are also learning about money, and telling time these last couple of weeks.

Science is about materials and motion. We use various materials as resources in our daily lives, such as wood, paper, and fabric. We know that objects cannot move without force and we have had fun experimenting with balls and ramps.

Before we let them go for the summer, we will conclude Social Studies with our neighborhood study and summer safety tips.

Please continue to read over the summer and enjoy your break!

Mrs. Ellerbach  
Mrs. Moeggenberg

## Fifth Grade News...

Celebration of Learning: **MARK YOUR CALENDARS!** On Wednesday, May 31, the 5th grade Celebration of Learning will begin at 2:00 P.M. Students will be recognized for their involvement in extra activities and will have the opportunity to share their portfolios with their parents/guardians. We will have refreshments when finished. Parents/Guardians are encouraged to attend and will be able to take their child home when finished.

With the end of the year coming to a quick finish, we would like to take some time to recognize some students who have gone above to help Marshall School run more smoothly. These students have volunteered their own time to “work” at Marshall School...

### Office Runners:

Mackenzie Birch, Miya Williams, Monique Merkes, Makayla Birch, Gabe Green, and Jackson Horch

### Recycling Program:

Trenton Sheehy, Jazlynn BlyRogers, Lindsey Molzof, Brooke Jentz, Aiden Dominque, and Cole Johnson

### DuTrac Marketers and

**Tellers:** Monique Merkes, Bella Roussel, Alyssa Seippel, Ayiana Sandridge, Nolan Jacobson, Bella Bush, Maggie Duehr, Makayla Birch, Brooke Jentz, Michael Zozaya, and Hunter Morrison

### Marshall Leadership:

Ayla Hennings, Makayla Birch, and Maggie Duehr

Special thanks to Mrs. Hunold for organizing Career Café for 5th grade. It was nice having the opportunity to hear about many interesting careers.

Thank you 5th graders for making every day, “A great day to be a Marshall Eagle!”

Mr. Roth  
Mrs. Runde

## Counselor News...

Fifth Graders are Career Explorers! One Friday each month, fifth graders participate in Career Café during their lunch period. This event provides an opportunity for students to meet individuals from the community and learn about their careers. Several speakers come each month and students are able to select who they would like to hear from based on their own interests/talents.

Our speakers share their career journey with students; including how they became interested in their current field, what education/training they needed, what they do in a typical day at their job, and any advice they have for students considering a career in their field. Often speakers will bring in tools and visuals to give students a hands-on experience. It is a wonderful chance for students to begin thinking about and planning for their futures!

Last month, students were able to choose Career Café sessions with a Cosmetologist, a Contractor/Manufacturer and a Director of a childcare center. Students were able to ask questions and even participate in a few demonstrations.

Mrs. Hunold

*Cosmetologist, Heather Seippel, gives Faith Griffin a new style.*
