NOTES FROM THE PRINCIPAL ...

IMPROVING LEARNING FOR ALL CHILDREN – CLIMATE & CULTURE

Students have been working in their mixed-grade crew teams for the past two Friday afternoons to create norms for what collaboration sounds like and looks like in their crew. When children have a voice in important decisions like this, high-quality learning is much more likely to happen. Crew is just one example of a structure at Prescott that is strategically implemented to meet students' needs.

SOUP LUNCHEON FUNDRAISER – DEC. 20, 2016, SAVE THE DATE!

This year's Soup Luncheon will be on Tuesday, Dec. 20, from 11am-1pm at Prescott. The inclement weather date is Wednesday, Dec. 21, from 11am-1pm. This is our only fundraiser for the year, and we rely on the proceeds to fund critical elements of our instructional design; fieldwork, community experts and additional arts experiences for students. Thank you to our families and business partners who have financially supported Prescott in past years. You are making a positive difference in students' lives.

ENGAGED LEARNERS

Here is a third grader teaching her parents during a learning celebration last week. Learning celebrations are an important tradition at Prescott that help to nurture a love of learning, a sense of empowerment and joy. We are grateful to parents, guardians and other caring adults who support students during these very special events.

Dear HyVee,

Thank you for donating the cookies and juice for our Blood Drive. We are the 4th graders that called you. We wanted to thank you for donating the cookies and juice. We are showing our Design Principle, Service and Compassion. This all ties in with our human body expedition. Again, thank you, HyVee, for donating those 4 dozen cookies and 3 gallons of juice. Thank you.

Welcome to New Staff – Ms. Jiles, Early Childhood Special Education Paraprofessional with Mrs. Gossling

I grew up on a small farm in Scranton, Iowa. I graduated from Iowa State University with a BA in Psychology and a Minor in Child, Adult & Family Services. After school, I got a job working with adults with intellectual disabilities and from that job I have found a passion for working with individuals with disabilities. I recently got married and moved to Dubuque with my husband. I am grateful for the opportunity to work at Prescott.
