# SAGEVILLE

Sageville Elementary Newsletter

April 26, 2018

## From the desk of Miss Mac:

Many thanks to Jason Neises, all of the parents and Pack 68 students who helped clean out our school gardens this past Monday night. It's going to help us to get ready to plant. Many thanks to Mrs. McClellan who has spear-headed the planting and Mr. Bahl and Mr. Paige for their on-going help. I'd like to thank Mrs. Julie Murray, former library para for assisting with the clean up by the outdoor classroom and butterfly garden. Liz & Sam, our Americorp helpers, will be wrapping up soon with the Green Club. It's great to see the interest the kids have in keeping our earth beautiful and productive. Stay tuned to how you can help us out this summer and benefit from the produce of our school garden.

Parents, there are lots of items on our Lost & Found table in the main hall. Feel free to take a look. Anything left at the end of the year will be donated to Goodwill.

Open Enrollments for the 2018-19 school year are due May 1st. Applications are on-line only. Please visit the district website for the link.

Let's show our yoga partners, Challenge to Change, our school spirit. I invite everyone to wear their Sageville shirts!

Next Thursday you can check your child's Thursday folder for their Fast & MAP scores.

**SAVE the DATE:**

**May 11th, 5:30-8:30 PM**

**\$1 admission, age 4 and older**

Some members of Sageville's Green Club and their plants!

- Teachers will be learning more on how to incorporate Seesaw in their instruction

Grade 3R sing-a-long around the piano with Ms. Scholtes

## Sageville's PTC

We're getting ready to collect all the items this Friday for the classroom silent auction items for Spring Fling. Please drop them off or send them with your students!

Spring Fling is May 11th, 5:30-8:30 p.m. This is an amazing evening of fun, family and friends. If you didn't get a chance to volunteer yet, please send me an email and I will let our PTC members know. Even if you can only help out for an hour, it allows others to enjoy the night!

## Counselor Corner...Mrs. Kaiser

It finally feels like spring!!! With the weather getting warmer children should be getting outside more to play. Therefore, I would like to take some time to cover outdoor safety tips. Summer is a time to get outdoors and, for many families, visit new destinations and enjoy fun family activities together. Although it's something we hope will never happen, it's important to consider summer safety tips and teach our children about getting lost and using caution around strangers. I am going to attach a link that covers what to do if your child gets lost, stranger safety and leaving your child home alone. Next week I will be in grades kindergarten thru 2<sup>nd</sup> grade.

Tips for Parents: <https://www.brighthorizons.com/family-resources/e-family-news/2012-summer-safety-tips>

1F did a math rap for our superintendent this week

Preschool and Kindergarten Open House is tonight at 6:30 PM!
