From the desk of Miss Mac:

We're getting ready to get all of the books that we have purchased from our DRA grant set up in the bookroom area in the LRC. We're looking for some parent volunteers to help with this project on Monday, December 18th. There are lots of book boxes to assemble so that we can stock the shelves. Plan on 9:00-11:30 AM. If you can help out, please email Miss Mac at jmcdonald@dbqschools.org. Thank you for your help!

I'd like to remind you that your child's progress report is available on-line and checking in that you have accessed it. If you have questions about how to view on-line, please let the office know. We are also happy to print it for you as well.

Your child's birthday is special and recognized at Sageville School. However, please be reminded that we do not celebrate the occasion with food due to allergy and nutrition concerns. Thank you!

Chance LuGrain, Eagle Scout and senior at Hempstead High School is a former Sageville student. He recently finished his Eagle Scout project, our Gaga Ball Pit! He spent two weeks building the structure with a lot of help from his family. This past weekend, it was installed with the help of Troop 294. Mrs. Riley, PE teacher, is going through the rules and regulations. Students are excited to use it. Thank you to Chance. He's looking forward to attending University of Dubuque in the fall and will study aviation!

Counselor Corner...Mrs. Kaiser

During the week of December 4th – 8th I have been in kindergarten thru second grade. For the month of December, our topic is communication skills. In kindergarten, we watched a short video on keeping your hands to yourself and did a smartboard activity. The smartboard activity focused on when it is ok to go in someone's personal space and when it is not. In first grade, we read the short story *Snail, Snake and Best Self*. Student's then drew a picture of when they feel they are their best self. In second grade, we discussed the story *Snail, Snake and Best Self* and did a smartboard activity where the students had to put the behavior in the correct column of snail, snake or best self. Next week I will be in grades 3-5.
