## From the Desk of Miss Mac

### Greetings Sageville families,

The on-line **conference scheduler** on our Sageville website (it's not in Power School) opens up on this coming **Monday, February 15th, 6:00 a.m.** It's first-come, first-serve to reserve your 20 minute conference with your child's teacher. To find the link go to the Sageville School website. Enter your child's first name and last name. The password is their first name. Click on the teacher name and select your time.

Send your Boxtops to school by **March 1st** for our next mailing! The top three homerooms get a "read-in" the gym.

**Spring pictures** will be taken by Siebe Studios on **March 9th.**

### PTC News

The next PTC meeting is Monday, February 15th, 7:00 PM

**Save the date: Spring Fling**  
Friday, May 13th  
Rain date will be May 20th

Come to the **Sweetheart Dance** next Friday. This is a family event! Dress your best. The event is 6:30-8:00 PM

There will be a DJ (Excel Entertainment), Valentine's Photo-Op Background and balloon drop at the end of the dance. Lemonade and water are provided. Children must be accompanied by an adult. There is no cost for this event.

Check out part of the sweet background for photos for tomorrow night's Sageville Sweetheart Dance

Have Miss Kruse, Mrs. Weiland and Mrs. Herr really aged this much this year teaching kindergarten?

No, they were celebrating the 100th day of school on Wednesday, February 9th. Several students joined them in this fun day filled with everything about the number 100!

Parents, don't forget to check your volunteer status in the school district to make sure it is up to date and current. There are many spring field trips coming up this spring!

### Mrs. Kaiser's Counselor Corner

During the week of February 8th – 12th Mr. Nate Tyler from the Riverview center has been in discussing body safety with all grades. Childhelp's new and enhanced 21st Century abuse prevention program is an evolution of the Childhelp Good Touch Bad Touch™ (GTBT) program delivered in schools nationally since 1983. Childhelp Speak Up Be Safe is a research based, comprehensive primary prevention education curriculum that equips children in Grades 1-6 and their adult community with skills they need to play a significant role in the prevention or

interruption of physical, emotional, and sexual abuse, neglect. The school based curriculum utilized web-based tools, focusing on building self-esteem and safety skills within the child, to include addressing today's societal risks children encounter everyday such as internet and cell phone safety. The curriculum redirects focus on the adult's responsibility and skill building by engaging the states, schools, facilitators, teachers, parents and designated safe adults in the protection of our children. The program also focuses on meeting state standards for health, and safety education, which allows a complementary curriculum based approach for this issue.
