Sageville Elementary Newsletter

February 22, 2018

From the desk of Miss Mac:

I want to assure you that our student and staff safety has always been one of my highest priorities as a principal. We must continue to be diligent and observant with all things relating to security. We have revisited the protocols for entry into the building. Also, as a reminder, parents are not allowed to pick up their children at the front door by the bus dismissal at the end of the day. Please park in the back lot to pick them up there. Thank you for your cooperation.

Tomorrow night is the PTC Sageville Sweetheart Dance. A DJ will provide the music and PTC will provide lemonade. Parents are asked to chaperone and supervise their children. Make it a family event and enjoy our Sageville community.

We are looking forward to seeing parents and students on March 1st, 4:00-8:00 PM for make-up conferences. Your conference time will be the same as was scheduled for February 20th. Please contact your child's teacher directly if you need to make a change. The Book Fair will be unavailable.

Thank you to Erin Neises who chairs our Book Fair and all of the parents who were able to assist. I'd also like to thank Mr. Dyer for all of his help as well. Many thanks for the food and goodies provided for the teacher meals!

You are able to access and view Progress Reports in Power School on March 5th. Please let our school office know if you would like a copy sent home.

Kindergarten registration materials for next year were recently mailed home. If you have a child who will be age 5 by 9/15/18 and did not receive a mailing, please let our school office know.

Congratulations to Mr. and Mrs. Gregory on the birth of their daughter! Maeve

Elizabeth was born on February 7th. Mrs. McAndrew will be Mrs. Gregory's long-term substitute.

Spring pictures will be taken by Siebe Studios

Team Sageville! Girls and Boys Basketball

Counselor Corner...Mrs. Kaiser

During the week of February 19th – 23rd, I have been working with small groups. All of my small groups are working on having a growth mindset and are practicing mindfulness. Students have been learning the difference between a fixed mindset and a growth mindset. We have been watching numerous short videos and discussing the difference between the two mindsets. We have also been practicing how to be more mindful. Our students have learned mudras from our yoga instructors from Challenge to Change and apply them while doing our mindful exercises. Next week I will continue to work with small groups.

Tips for Parents: Some of you may have had or want to have a conversation with your children about the recent tragedy that struck Parkland, Florida. Please copy & paste this link below for resources. <https://www.schoolcounselor.org/school-counselors/professional-development/learn-more/shooting-resources>
