Greetings Sageville families,

What a tremendous turn out for PTC's movie night! Samantha Noel won a copy of the movie "Inside Out". Thank you to Theisen's for the popcorn. Our next PTC meeting is next Tuesday, February 19th at 7:00 PM. Reserve Friday, February 12th for the Sageville Sweetheart Dance in the gym.

If you have a child who will be age 4 by September 15, 2016, mark your calendar for Preschool Registration! It will be held on Monday, February 1st and spots are first-come, first serve. Mrs. Kaiser's Counselor Corner

During the week of January 11th – 15th I have been in grades 3-5. In third grade we focused on what body cues we experience when our bodies aren't running just right. We also generated a list of healthy coping skills we could utilize to get our bodies in the just right zone. In fourth grade we reviewed what a healthy and unhealthy coping skill is, different types of behaviors, what escalation and de-escalation means and what different outcomes may happen with a scenario. The students showed what they learned by playing a class

game of Jeopardy. In fifth grade the focus was on balancing our lives and showing how it relates to our self-concept. Next week I will be working with small groups.

Tips for Parents: "Life is 10% what happens to you and 90% how you react to it."

There's lots of sweaters, jackets, hats and mittens in the Lost and Found in the main hallway!

Please make sure students are dressed appropriately for the weather! When temps are dip below zero (including wind chill) we remain indoors.
