Sageville Elementary Newsletter

January 4, 2018

From the desk of Miss Mac:

Welcome back! I hope that 2018 brings joy, happiness and good health to you and your families!

I'd like to welcome our new health para, Mrs. Ashley Frommelt, to Sageville! She comes with many years of experience in the health-care field.

Preschool Registration is set for Monday, February 5, 7:00 AM until the 20 spots are filled (10 morning & 10 afternoon). This traditionally fills up very fast so please know it is on a first come-first serve basis. You will need your child's birth certificate to register. Paperwork will be available before registration in the school office.

Sageville School collected \$246.42 for United Way! Change was good!

Breakfast is served each morning at 8:30, 9:30 on Fridays. Before winter break, we had 46 students enjoying breakfast. As a reminder, families may sign up anytime during a school year for free or reduced lunches. You can find the on-line registration on the district web site or request a paper copy.

Our school district replaced all of our computers in our tech lab over break!

Calendar of Events

[Scrip orders due tomorrow!](#)

Monday-January 8

8:05 Garden Meeting

Tuesday-January 9

Sparky's Fire House PreK-1

Friday-January 12

9:45 Late Start
We honor our paraprofessionals this morning with a breakfast

Friday Focus:

- Teachers will working in the Book Room, Collaborative Inquiry, and learning more about using running records for instruction.

The flu is back!

Along with the recommendation that all staff and students receive the flu vaccine, the Dubuque Community School District will start the implementation of not returning to school until free from fever (greater than or equal to 101 F), diarrhea or vomiting without the use of medications for 24 hours to help reduce the spread of germs that cause diarrhea, colds and influenza. In addition, we will be reminding staff and students of the importance of good handwashing.

Counselor Corner...Mrs. Kaiser

During the week of January 3rd – 5th, I have been working with kindergarten thru second grade. During the week of January, we will be focusing on self-regulation. In kindergarten, the students learned about self-control. They watched a short video of Cookie Monster displaying self-control and all students were tested on this as well. We did an activity where they could not pop bubbles when it was their turn; they all did a terrific job! In first grade, we did the activity *bag of feelings*. Two students would act out a feeling and the audience would try to guess that feeling. The new learning for first grade is the awareness that not everyone feels the same way even if they have the same experience. In second grade, we did the activity *bug bag*. The students talked about scenarios that bugged them and defined and made a list of coping skills that would help them when they are feeling bugged. Next week I will be in grades 3 – 5.

Tips for Parents: Please visit our guidance link on the Sageville website for helpful tips and articles.
