### Friday's Professional Learning

We will work on Close reading strategy lessons to implement in the classroom and continue data driven conversations

## From the Desk of Miss Mac

### Greetings Sageville families,

Many thanks to our PTC and parents for providing a fantastic teacher meal and running the book fair. We had 98% attendance. There was \$3388.00 in book fair sales. Over 100 new books were purchased for our library.

Your child's teacher shared how to access Lexia at home. We've been made aware that some families have experienced some technical difficulties. Please make sure your child logs out after working on Lexia. Please remember that your child should do this no more than 20 minutes a couple of nights a week with no adult assistance. Thank you.

Sageville families who are open-enrolled will receive the form to fill out in Thursday folders next week. The deadline to turn it in is May 1st.

There is lots of professional learning in our district this month. Mrs. McClellan, Mrs. Cervantes and Mrs. Feehan are participating in Assessment for Learning tomorrow. Mrs. Herr, Mrs. Johnson, and Mrs. Rambousek will be finishing their 5th and 6th day of Collaborative Inquiry training next Wed. and Thurs. with other district teachers. On March 24th there is no school for district-wide professional learning. While teachers don't like to leave their classrooms, the training makes an impact in the classroom later.

We raised \$600 in Box Tops! Thank you very much. The classroom winners of the gym read-in are Mrs. Klinkner's Mrs. Rokusek's and Mr Mach's homerooms!

### **SAVE THE DATE:**

Gr. K and Gr. 2 music program is on April 12th at 6:30 p.m.

Kudos to our Sageville Choir who performed Tuesday night at the district's Choral Festival at Hempstead!

Sami Frey, Evelyn Davis, Sophia Kane, Olivia Gibson, Kaitlyn Nebel, Loryn Link, Natalie Brehm, Kylee Splinter, Ty Briener, Heaven Devita, Ashley Long and Tessa Davis. (Absent for photo, Monica Knepper and Joel Ostola)  
Many thanks to their director, our music teacher, Miss Scholtes!

UD for Kids registration is currently open and can be located at the website <http://www.dbq.edu/udforkids/>

### Mrs. Kaiser's Counselor Corner

During the week of March 7th – 11th I have been in kindergarten thru second grade; our focus for the month of March is life changes and loss. In kindergarten we watched a Sesame Street video that explained when something passes it is final. The students then drew a picture of something or someone they have lost. In first grade we watched a video of an owl who loses its friend and what coping skills the owl utilizes to make itself feel better. All students in first grade then made a memory tree of something or someone they have lost. In second grade we watched an audio book, Lifetimes and shared what we have lost and wrote down 3 coping skills we can utilize during a life changing event. Next week I will be in grades 3-5.

Tips for Parents: Copy and paste the links below to view the videos shown during guidance class
