## From the Desk of Miss Mac

Greetings Sageville families,

We conducted our first tornado drill this spring yesterday. Please make sure you have a safety plan communicated with all of your family members at home.

Spring Fling will be here before you know it, and you don't need to be a PTC member to make it happen. There is a planning meeting at The Barn on Thursday, April 7th at 7:00 PM. We need lots of parents for a successful night. Especially if you are a new family, we'd love for you to join us. The Sageville parent community is very special. **Be a part of it!**

We have some **openings** in our **Preschool a.m. and p.m.** classes for next year available. Please call the school office to register.

**PreK and Kindergarten Open House is April 19th: 6:30-7:30 PM!**

We have four more order dates for Scrip. Spring & summer needs, Mother's Day, and Spring Fling auction baskets are the perfect occasions to order Scrip. Here are the **classroom baskets** for auction this year:

**Preschool:** Picnic/Grill Out

**Kindergarten:** Camping Fun/Great Outdoors

**Grade 1:** Sweet Tooth Basket

**Grade 2:** Family Fun Night

**Grade 3:** Pet Theme Basket

**Grade 4:** Hobbies/Sports & Game Night

**Grade 5:** Movie Night/Sports

### **Mrs. Kaiser's Counselor Corner**

During the week of March 29th – April 1st I have been working with small groups. My 2J school success group has completed their work in becoming a successful student. The 3W growth mindset group has been journaling about a memorable time and then sorting through their fixed and growth mindsets. My adoption group that is held on Wednesday mornings has worked very hard at sharing their adoption stories, being able to identify with others in the group on how they are alike and different, defining legal terms and asking and answering difficult questions. The 1C teamwork group discussed what it means to be a successful team member. Next week I will be in kindergarten thru second grade discussing careers.

Tips for Parents: During this school year I have spent a lot of time talking about the fixed and growth mindset and how you can work your brain like a muscle. Take a look at this quote by Winston Churchill and challenge yourself to use the growth mindset in difficult times.

“The pessimist sees difficulty in every opportunity. The optimist sees the opportunity in every difficulty.”
