The **2018-2019 Elementary Open Enrollment** process has gone **electronic!!**

New this year we are piloting a fully electronic application process. All Elementary Open Enrollment Applications will be submitted on line. This will be a smart phone friendly application, and families without computer access may be asking for access to a computer at your school. Other sites offering computer access are the Dubuque Public Library, The Multicultural Center, and the Forum lobby.

Beginning at 8:00 a.m. on Thursday, March 15, 2018, the District web page will direct viewers to the Open Enrollment page for a link to the form. Visit www.dbqschools.org for elementary open enrollment for the 2018-2019 school year.

Counselor Corner...Mrs. Kaiser

During the week of February 26th – March 2nd I have been working with small groups. All of my small groups have been working on having a growth mindset. We have started a mini-series of Mojo and Kate struggling with their own growth vs. fixed mindsets, having great discussions after the short videos, and pertaining it to real life scenarios. The episode that we watched this week was, *The Magic of Mistakes*. All group members are excited to learn and utilize strategies learned to strengthen their mindsets. Next week I will be in grades kindergarten thru second grade with the focus on life changes and loss.

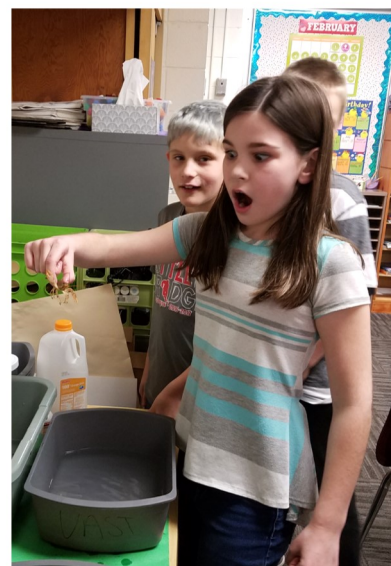

Tips for Parents: Some of you may have had or want to have a conversation with your children about the recent tragedy that struck Parkland, Florida. Click below for more resources to help you through this difficult time.
