Grand River Center - River Room

Mrs. Ann Johnson will be the featured teacher speaker for the annual luncheon. She received the Presidential Award for Excellence in Teaching Math & Science this fall. Two of her students are joining her for the presentation: Samantha Noel and Wyatt Crosby. The public is invited to this event. Tickets are \$100.00 and all proceeds benefit Dubuque Schools. If you'd like to purchase a ticket, visit their website or send me an email at jmcdonald@dbqschools.org. It's a wonderful luncheon. Tim Hodge is the hometown alumnus who will also be honored.

Check out the latest video from the district. Two by Two programming was highlighted and you may see some familiar faces from Mrs. Rambousek's 4th grade classroom.

Iowa Children's Choice Award

Mrs. Brimeyer was in to give all 3-5th graders who read at least 3 of the Iowa Children's Choice books to vote for their favorite book. Eighty-eight students were eligible (62% of our 3-5th graders read 3 books). Their top choice: **I Survived the Great Chicago Fire, 1871** by L. Tarshis. Second choice was **Loot: How to Steal a Fortune** by J. Watson and third choice was **Jake and Lily** by J. Spinelli.

I'd like to thank Mrs. Brimeyer for all of the time she spends getting children excited about the Iowa Children's Choice Award. She also works with the 5th graders as they prepare for the Battle of the Books which will be held at Sageville on April 17th at 1:30 PM.

Mrs. Brimeyer and I would like to see more of our 3-5 graders read at least three books so they have the opportunity to vote. Many thanks to our PTC for purchasing the 20 ICC books for our library.

Look who's making paper at Sageville? Kindergarten!

Last year almost \$2,000 was raised from this event.

PTC members have been working hard to get other great donations like one dozen donuts from Donut Boy for a year!

If your business would like to donate something, please email Miss Mac.

P.S. Don't anyone dare bid against me on the donuts! LOL
