Sageville Elementary Newsletter

May 25, 2017

From the desk of Miss Mac:

This past Monday we held our last Sageville Site Council meeting of the year. I'd like to thank the very important members of our site council: Cynthia Wehrenberg, Kelli Splinter, Krystle Feehan, Kristina Herr, Kelli Buchenau, Tina Smith, Jennifer Huinker, Cheryl Specht and Allie White for their input and guidance. Over the course of the year, we've discussed our school plan, data, school finance and the district's strategic plan. Mrs. Splinter, Mrs. Wehrenberg and myself represent Sageville at the district's school improvement meetings held during the year. We would love to expand our team members, including the Sageville community. Please feel free to think about your involvement over the summer and get back to me this fall.

Fly Up has been an annual tradition at Sageville for the past several years. All current PreK-Gr. 4 students go to their new teacher's classroom for 30 minutes to meet and greet. It's very exciting. Your child will put their new teacher's name in their agenda. You'll also see this when you log into Power School after July 1st. I do reserve the right for any unforeseen circumstances to make changes and you will be contacted by me before the school year begins.

We celebrate our 5th graders who are moving onto middle school next year on the last day of school, June 1, at 10:00 AM. Family and friends are welcome! We have a special recognition for any 5th grader who is the last from their family to attend. This year there are 25 of them! It's hard to believe. My first year as principal here was when these students were kindergartners. There's been very

Superintendent Stan Rheingans got a sneak peek of 3rd Grade's Invention Convention

Calendar of Events

Monday-May 29

Save the Dates:

You will receive information for next school year in late July.

E-registration for Power School can be completed at home or at school on Tuesday, August 1st, 10AM-12PM and 2:30PM-5:30PM.

Transportation will send out times and routes the first week of August!

Sageville apparel orders are going home today. Cinch bags are back-ordered and will be mailed to families from Envision!

We celebrated our preschoolers on Tuesday with a celebration!

Counselor Corner...Mrs. Kaiser

During the past few weeks, I have been working with all grade levels on transitioning into the next grade level. Each teacher had one student represent his or her classroom. During our transition lesson, we talked about Lead 21 and stations, math, science, social studies, field trips and anything else that would be new to that grade level. I would like to give a big thank you to Kenzie Kieffer, Noah Laws, Max Arensdorf, Emma Sarazin, Kailey Benter, Kelsey Laufenberg, Sam Martinez, Lindsey Freiburger, Tanner Bahl, Levi Kramer, Addy Hollister and Evelyn Davis for doing a fantastic job representing their classroom! Our fifth grade students had the opportunity to practice locker combinations on paddle locks. I think this eased a lot of anxiety!!!

Parent Tips: There is a new app called Blue Whale. If this app is on your child's device, you should be on high alert! The app asks kids to complete several "challenges" that are harmful to themselves, others and/or animals with the end result being suicide. Please take time to visit this link to learn more: <http://www.sacbee.com/news/local/crime/article151992077.html>

Treyton & Tyler enjoy their new books

Thanks for sending in all of the Box Tops! Grades 3W, 3R and 4H get to eat their lunch outside tomorrow.

Clip over the summer!
