## Mrs. Kaiser's Counselor Corner

During the week of May 9th – 13th I have been in grades 3 thru 5. Our focus for the month of May is on transitioning to the next grade level! I would like to give a big thank you to Alyssa Jaeger, Ellie Hermiston, Ethan Lahey and Katelyn Elskamp for representing their class during my guidance lessons. These students shared information with the incoming students of 2016-2017 school year. Topics included language arts and the units covered in Lead 21, math concepts, social study and science units, standardized test, recess and lunch room expectations/procedures, field trips, outside programming and special projects done in each grade level. Next week I will be wrapping up my small groups.
