Friday's Professional Learning

Teachers will be working on the Iowa Professional Development Plan, reflecting on student achievement progress and their goals.

From the Desk of Miss Mac

Greetings Sageville families,

It's time to get your Sageville shirts ready to wear for Friday! The weather is looking fantastic for Spring Fling tomorrow night and PTC is ready to go. Thank you to all of our parents who are taking shifts to help out at the multiple stations. This will be a memorable event for our Sageville community! See the updated flyer for the event.

Send any of your June 1 Box Tops to school tomorrow or drop them off tomorrow night! Thanks!

Don't forget about the Buy One, Get One Scholastic Book Fair in the gym. I heard Clifford the Big Red Dog is going to make an appearance!

The old bleachers have been pulled out of the gym. The district will be installing the new ones soon. We are very grateful as they will be very safe.

Our PTC will be honored at our assembly on Monday. Hats off to President Lindsey Schreiber, Vice President Kelly Kieffer, Treasurer Jenny Calonder and Secretary Jess Fens. Their work was assisted by Tina Smith, Denice Genthe, Jess Olechowski, Andi Bihl, Erin Neises and Angela Nauman on a regular basis.

Many thanks to Andi Bihl and her scrip volunteers. Scrip raised \$4000.00 this year!

Our parent support at Sageville is outstanding. They make great things happen.

We have several openings in our morning and afternoon preschool classes. Children must be four years old by September 10, 2016. Please call the office to register @ 563-552-4300.

Mrs. Kaiser’s Counselor Corner

During the week of May 16th – 19th I have been wrapping up my small groups. I’ve also started seeing students who may be experience some anxiety with transitioning into summer and middle school. I would like to offer some resources to parents who may have children who are able to stay home alone or start babysitting this summer. Leisure services offers programs to get your children ready for this independence. These programs are On My Own and Ok and Babysitting and Childcare the focus includes practicing basic decision-making

skills, gaining confidence, hands-on experiences in making simple snacks, prep their own lunch, learn to structure their time when home alone or with sibling, safety and first aid. Please visit https://apm.activecommunities.com/dbqparkrec/Activity_Search
