all of the highlights**

### Friday's Professional Learning

Teachers will be working on technology and the Collaborative Inquiry process.

### Greetings Sageville families,

There's still a great deal of "school business" to complete before the end of the year! Students in Grades 2-5 are taking their spring MAP tests in the areas of reading and math the next two weeks. Encourage them to do their best. Many are focusing on meeting their RIT target.

Some end of year events will be here soon. Please mark your calendar!

May 23rd: 1:05 PM Last Celebration Assembly for the Year. Our PTC will be honored.

May 31st: 1:30 PM PreK-5 assembly to see the 5th grade movie, "Space School: Lost in the Galaxy" in the gym. There will be an evening showing at 7PM at MindFrame Theatre for free, open to anyone. Concessions will be available for purchase. We are very grateful to the owners for their support.

June 1st: Hotdog lunch picnic outside followed by PreK-5 field day. (We'll be sending home a flyer for parent helpers for the

afternoon). June 3rd will be our raindate for this event.

June 3rd: Fly-Up to meet your new teacher.

June 6th: 10:00 All School Assembly for our 5th grade farewell and the last day of school!

Many thanks to our Leisure Services Track coaches: Mrs. Streif, Mrs. Butler and Mrs. Long. The students will be participating in the district meet tonight. Best of luck!

Many thanks to **Marv Rapp** and **Herb Klatt**, Master Gardeners, who constructed our raised garden beds.

Many thanks to our track coaches, Mrs. Streif, Mrs. Butler and Mrs. Long! Tonight our fourth and fifth graders participate in the district track event at Senior High School. We wish them all of the best!

Thank you to our parents, PTC, student council and Mrs. Huinker for planning a great teacher appreciation week!

Congratulations to Miss Kylie Kruse, left, our 4+1 Clarke Teacher, who partnered with Mrs. Herr this school year. She graduates with her master's degree in Instructional Leadership this weekend from Clarke University. They co-taught their kindergarten classroom while Mrs. Herr assisted staff with Smartboard lessons. We wish her the very best in her teaching career.

## Mrs. Kaiser's Counselor Corner

During the week of May 2nd – 6th I have been in kindergarten thru second grade. Our focus for the month of May is on transitioning to the next grade level! I would like to give a big thank you to Hayden Freiburger, McKenzie Ostola, Annelise Hefel, Elizabeth Bihl, Evelyn Fern and Lindsey Freiburger for representing their class during my guidance lessons. These students shared information with the incoming students of 2016-2017 school year. Topics included language arts and the units covered in Lead 21, math concepts, social study and science units, standardized test, recess and lunch room expectations/procedures, field trips, outside programming and special projects done in each grade level.

### Tips for Parents:

With the end of the school year approaching your child may be experiencing some anxiety. Please visit my webpage for anxiety relief, calming techniques and resiliency strategies. Go to the Sageville webstie, under the student tab is a guidance link, click on the counseling tab. It will take you directly to my website, at the top right hand corner you then can click on helpful tips. Listed under helpful tips will be numerous article to help you and your child transition into next school year.

**SAVE THE DATE:**  
**Grade 5 Movie**  
**Premier**

**Space School: Lost in the Galaxy** will be shown at school on Tuesday, May 31st at 1:30 PM.

Join us at Mindframe for a free showing at 7:00 PM.

Doors open at 6:30 PM. Concessions will be available for purchase.
