Sageville Elementary Newsletter

From the desk of Miss Mac:

Sageville School has another opportunity to make our community a better place. Student Council is launching their United Way Change is Good Campaign on Monday, December 4th. Students can bring change everyday until December 22. Bring in the pennies, nickels, dimes and quarters! The United Way has focused their goals on health, education and income sustainability to impact many organizations in our tri-state community. Did you know that the United Way funds the phone number 811 which is the number residents can call for heat assistance, housing and other important needs? Thank you in advance for your generosity.

If you have snow pants or snow boots that your children have out-grown, please consider donating them to Sageville for children who may need them. Thank you!

I spent two days in training this week and will spend two more days next week working with our AEA and Dept. of Iowa Education officials on Differentiated Accountability. This is preparing our schools for the ESSA (Every Student Succeeds Act) which replaces NCLB (No Child Left Behind). We continue to make every effort so that each student can succeed.

Teachers will be working on implementing Number Talks in their math classes. Number Talks help students express what they're thinking and communicating!

Please be reminded that students will need snow pants & boots for the playground area when the snow arrives!

Mrs. Feehan took school supplies to this Jamaican classroom from Sageville!

Calendar of Events

Scrip orders are due tomorrow!

You can also order December 8th & 15th!

Monday-December 4

United Way Campaign this week begins! Change 6:00-8:00 Skate Country Skate Party

11:30 Grs. 4 & 5 fieldtrip for Wonder movie at AMC

Friday Focus:

- Teachers will be sharing their work from the Collaborative Inquiry Process. Sharing their successes and struggles will help us fine-tune the process for the rest of the year.

Counselor Corner...Mrs. Kaiser

During the week of November 27th – December 1st I have been working with small groups. In my first grade school success group, we worked on how to eliminate distractions. My second grade school success group focused on what we need to work on to become a more successful student. My third grade growth mindset and sportsmanship group worked on the difference between a growth mindset and a fixed mindset. Next week I will be in kindergarten thru second grade with the focus on communication skills.

Tips for Parents: Please visit our guidance link on the Sageville website for helpful tips and articles.
