## Counselor Corner-Mrs. Kaiser

During the week of October 5th – 8th I have been in kindergarten thru second grade. Our focus for the month of October is conflict resolution. In kindergarten we read the book Please Stop I don't Like That! and practiced using it in a calm assertive voice. In first grade we reviewed the book PSIDLT and added the person's name that we are talking to. We role-played name+PSIDLT and discussed the difference between reporting and tattling. In second grade we reviewed

name+PSIDLT and added the action/behavior we are asking them to stop doing. We role-played name+PSIDLT+the action. We really focused on using eye contact and keeping a calm voice when communicating with others. Next week I will be in grades 3-5.

Tips for Parents: Please visit this link it's a great resource for peer pressure and how you can help as a parent. <http://selfesteem.dove>
