Sageville Elementary Newsletter

September 22, 2015

From the desk of Miss Mac:

Along with the staff, I'm looking forward to seeing all our Sageville families tonight at Open House. Each classroom has interesting highlights as well as our "Sassy Go" Project. Don't forget to bring your smart phone. Stop by the gym to vote for your favorite pumpkin.

Our first Site Council meeting is this coming Monday night, September 26th at 6:30 in the conference room. This is open to any parent. Staff and parents oversee the school plan and give input. New members are encouraged!

Fall conferences will be coming next month. The following are the options you'll have to choose from in October:

Tuesday, October 18th, 4:00-8:00 PM
Wednesday, October 19th, 4:00-8:00 PM
Thursday, October 20th, 8:00 AM-2:00 PM

You'll receive information next week how to on-line register for your child's conference. We will also have a book fair set up in the gym during conferences.

It's a good time to check in with your bus riders about how transportation to and from school has been going. Please support our drivers whose primary concern is to get your child to and from safely. Please remind them that there is **no food** allowed on the bus at anytime and keeping hands to oneself is of the utmost importance! Thank you in advance for your reminders!

Counselor Corner...

During the week of September 19th – 23rd I have been collaborating with teachers and starting to create small groups. One topic that I would like to concentrate on this year for all grade levels is having a growth mindset. The goal of this group would be to have students identify when they have a fixed mindset, how do they change a fixed mindset into a growth mindset, learning how the brain works and that they can stretch and shape it. Other small groups that will be offered throughout the school year include but are not limited to anxiety, friendship, school success, grief, divorce, attendance and anything else teacher or parent referred. Tips for Parents: If you've never failed, you've never tried anything new. –Anonymous
