notes from mr. lass

Dear Parent(s):

Winter seems to be at an end and with it the changeable road conditions that have been so frequent this year. Therefore, I am asking that parents, who drive their children to school, to please make necessary changes to consistently arrive at school no later than 7:35 a.m. With all the weather issues this winter, the drop off times have been slipping past 7:35 a.m. and in the interest of safety some leniency in the start time for students was extended. Now, we need to get back to our regular schedule. Your cooperation is most appreciated.

I am always thankful for the students that we have in our school. One of the ways they impress me is their politeness. Every day as I walk into classrooms or meet students in the halls, I am greeted in a friendly, appropriate way. When I do crosswalk duty, I get many, many comments of thanks from the students. My point in telling you this is to acknowledge and thank you for the values that you have instilled in your children. Such behavior starts in the home.

Lastly, as the temperatures begin to warm, I remind us that we still have many weeks of school for the students to press on with their learning. Please see that your child keeps up with school work. We want to have a great finish to the year and having good work habits is very instrumental in achieving this goal.

Sincerely,

Dale Lass

Dale Lass, Principal

Spring is here! This is the time of year when many kids start thinking more about the nicer weather and less about school. It's hard to sit in class when you see the snow has melted, the sun shining, and warmer temperatures tempting kids to just stay home.

Try and help your child stay focused so that they can finish the year off strong! Help your child learn to persevere. Today, your child learns to overcome spring fever. In the future, your child will have the grit to triumph over even greater obstacles towards their dreams!

WWW.TINYURL.COM/DCSD0365

WANT TO DOWNLOAD MICROSOFT OFFICE OR UNSURE HOW YOUR STUDENT SHOULD LOG INTO HIS/HER OFFICE 365 ACCOUNT AT HOME? PLEASE GO TO THE WEB ADDRESS LISTED ABOVE TO FIND DIRECTIONS FOR THESE AND A FEW OTHER QUESTIONS YOU MAY HAVE.

from the nurses office:

In February and March the ERMS 7th grade students will participate in this school year's hearing screening provided by the Keystone Audiology Team. If your student falls outside of the normal ranges for hearing ability, you will be notified by the Keystone professionals.

Attention 6th Grade Parents: **VERY IMPORTANT**

Iowa law now requires all incoming 7th graders to have had a Tdap booster IN ADDITION TO THEIR KINDERGARTEN DOSE (AFTER AGE 7). Your current 6th grade student will need this TO START SCHOOL NEXT FALL. This came into effect due to the recent outbreak of pertussis (whooping cough). If your student has had this booster, please provide the health office with documentation. Students who have not received this booster may be excluded next school year until completed.

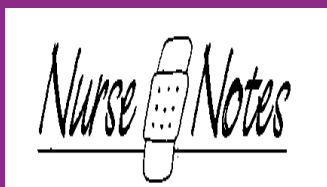

Thank you for your prompt attention to this VERY important matter.

Let's have this completed for everyone before school is out this year!

For Parents Information:

If your student calls or texts you that they are ill and need to come home please tell them to go to the health office to see the nurse. Absences by students who go home for illness and have not been evaluated by the nurse will be considered unexcused.
