Dear Parents,

This past month, our ERMS site council parents and students attended one of our professional development sessions held on Friday mornings. By doing so, our site council parents and students have the chance to learn in a more first-hand way the various school improvement initiatives that the teachers are doing. The council learned about the teacher leadership program, the ERMS advisory program, and some of the developmental characteristics of our young adolescent learners.

Thanks to the many efforts of the guidance department and teaching staff, the 2015 edition of the Iowa Testing Program, (ITP) has been successfully completed. The amount of preparation for the proper administration of the test is becoming ever more complex. It will be nice to get back to our work of instruction and teaching.

This past month our eighth grade students enjoyed learning about the career opportunities in the area. Several representatives of various professions reported to our school to share their knowledge about their careers and what it takes to learn to attain them. Many thanks to the Dubuque Area Labor Management Council for supporting this middle school initiative. Also, much appreciation to our exploratory teachers for organizing all the details to have a successful, smooth running event.

Mother Nature intervened in our plans for the fundraiser trip to Kalahari Indoor Water Park in the Wisconsin Dells. Our 160 fundraiser students will be going later this winter when the necessary arrangements can be made.

Your influence and interest in your child's education is crucial to the development of his/her learning and character. We are here to partner with you and help you prepare your child for the future.

May you have a happy December and holiday break.

Sincerely,

Dale Lass

Dale Lass, Principal

WE ARE THANKFUL!

We hope your family had a good Thanksgiving break, and we're happy to see so many students back in school, ready to learn! We want to reinforce the importance of school attendance. This is a tough time of year as everyone is dealing with some sort of illness. Please keep these simple suggestions in mind to help your child stay as healthy as possible during cold and flu season!

Eat healthy and don't forget that your brain needs fuel! Eat breakfast!

Get your body moving! Participate in gym, recess and after school activities!

Sleep! Adequate rest will help you learn and retain all the information you are learning at school!

Turn off all your electronic devices at least 1 hour before bed! The screen from your computer, phone, or television can actually stimulate your brain so much that makes it harder for you to fall asleep!

Happy Holidays and here's to a healthy 2016!

Dubuque
COMMUNITY SCHOOLS

**You are invited to attend
“INTERNET SAFETY FOR PARENTS AND COMMUNITY”
presented by FBI Victim Specialist Karen Gale**

Thursday, Dec. 10
6:30 p.m.
Washington Middle School Auditorium

The event is FREE and the public is invited to attend.

The Internet has drastically changed the way children interact with the world. Along with offering a fascinating new way to connect with the world, the Internet also offers new risks, such as cyberbullying, exposure to inappropriate material, sexting, online predators/online sexploitation, and revealing too much personal information. In the presentation, FBI Victim Specialist Karen Gale will share information for parents, children and community members on how to stay safe in the technology age.

According to Karen, parent and guardian knowledge and involvement of their child's technology use can help make the Internet a safer place for their families.

We hope you are able to attend!

important news november 2015

FLL (FIRST LEGO League) is a worldwide program designed to get children interested, eager to learn, and excited about science, technology and engineering.

This is the science equivalent of a decathlon - the students must excel in strategy, creative solutions, robotics design, software programming, and gracious professionalism to advance to the state competition.

On Dec. 5 ERMS will expect over 300 students from the Tri-State area to attend, along with volunteers from multiple organizations, including John Deere, the Dubuque Community School District, Resources Unite, Mississippi River Museum & Aquarium, Loras College, Dubuque County Conservation, and NICC.

Approximately 40 teams will compete on Dec. 5 in three areas, core values, robotic programming and project presentation in front of judges for the opportunity to advance on to the State Championship held on the Iowa State University College of Engineering campus in January. Roosevelt has 2 teams competing in this years event. The Billy Goats and The Trash Basher. Coached by Mrs. Unmacht and Mr. Dolan. Results to follow next month.

Tickets for the "Winter Wonderland" Dance

on Friday, December 4th are on sale now.

Tickets will be sold before school on Thursday and Friday. Cost is \$4.00.

Time of dance: 2:40 pm to 4:40 pm

The sixth grade Fun Night Dance will be held downstairs in the MP Room area. The seventh and eighth grade dance will be held in the cafeteria.

from the nurses office:

It is not too late to get the Flu Shot for your family!

The symptoms of influenza (flu) appear suddenly and often include:

- * Fever of 100F to 104F, which can reach 106F when symptoms first develop. Fever is usually continuous, but it may come and go. Fever may be lower in older adults than in children and younger adults. When fever is high, other symptoms usually are more severe.
- * Body aches and muscle pain (often severe), commonly in the back, arms, or legs.
- * Headache.
- * Pain when you move your eyes.
- * Fatigue, a general feeling of sickness (malaise), and loss of appetite.
- * A dry cough, runny nose, and dry or sore throat. You may not notice these during the first few days of the illness when other symptoms are more severe. As your fever goes away, these symptoms may become more evident.

If your child is ill, PLEASE keep them home to avoid passing the illness to their class. DCSD requires a student to be free of fever (without Tylenol or Ibuprofen), vomiting or diarrhea for 24 hours before returning to school.
