Dear Parent(s):

Have you ever heard your child(ren) mention something about 'PBIS' at Roosevelt and wonder to yourself, what exactly is that? Well, let me start by sharing with you that PBIS stands for Positive Behavior Intervention and Supports. It's an organizational structure implemented here at Roosevelt that allows us to create a positive learning community for everyone. It's not a curriculum or lock-step program, but instead a structure for how we positively interact and work with students. This structure is built on a school-wide philosophy that our staff will teach, model, and reinforce the positive student behaviors needed to be successful. With these supports in place, it will allow your child(ren), and all students, to achieve behaviorally and academically this year. If the acronym PBIS does not sound familiar, my guess is that you might have overheard talk about some of the monthly activities that we offer to promote and encourage a positive culture with our students, or maybe you've heard about the three guiding principles for our program. Here at Roosevelt we strive to promote a culture where students can demonstrate that they are Ready to learn, Responsible for what they do, and Respectful in their actions. We call these three words the 3 R's of our PBIS program. Students who demonstrate the three R's are recognized by our staff members with a Raptor Recognition Ticket. These tickets are a recognition shown to the student for their appropriate display of behavior at school. Students can then use these tickets for the monthly PBIS events, or other special activities provided by their house teachers. In November our monthly event was Bingo, and in December we will have our annual winter movie. We continue to use the PBIS structure because it works for our kids!

Sincerely,

A handwritten signature in black ink that reads "Jeffrey J. Johl".

It's time to get the Flu Shot for your family!

The symptoms of influenza (flu) appear suddenly and often include:

- * Fever of 100F to 104F, which can reach 106F when symptoms first develop. Fever is usually continuous, but it may come and go.

Fever may be lower in older adults than in children and younger adults. When fever is high, other symptoms usually are more severe.

- * Body aches and muscle pain (often severe), commonly in the back, arms, or legs.

- * Headache

- * Pain when you move your eyes.

- * Fatigue, a general feeling of sickness (malaise), and loss of appetite.

- * A dry cough, runny nose, and dry or sore throat. You may not notice these during the first few days of the illness when other symptoms are more severe. As your fever goes away, these symptoms may become more evident.

If your child is ill, PLEASE keep them home to avoid passing the illness to their class. DCSD requires a student to be free of fever (without Tylenol or Ibuprofen), vomiting or diarrhea for 24 hours before returning to school.

December erms raptor raves

Our choice for this month's Raptor Rave is Carson Prehm. Carson is an outstanding student. He handles himself in a mild-mannered way that puts all he meets at ease. He is organized and comes well-prepared for class. Other students look to follow Carson's lead. He was selected by his classmates as one of the representatives for Roosevelt's 2016 Student Council. He will be an excellent voice for the students in House 6-1. Carson is respectful to faculty, staff, classmates and all those he meets throughout the building. He is someone who epitomizes what it means to be a Raptor Rave!

Our Raptor Rave for house 6-2 for the month of December is Ben Donath. Ben is an energetic student that has a contagious personality. He demonstrates the 3 R's by being Respectful to adults and peers, entering each class Ready to learn, and being Responsible by completing all homework assignments on time. He also takes the initiative to increase his learning by asking questions and participating in class. Ben adds an excitement to our Raptor Time with his positive attitude and willingness to share and lead activities. Congratulations Ben on this well-deserved honor of Raptor Rave!

House 6-3 would like to nominate Beau Baker as our Raptor Rave. Beau is very focused while in class. He also shows great maturity when it comes to working with others in our house. He is always pushing himself to do the best he can.

December erms raptor raves

House 7-1 is very happy to select Ryan Gabel as this month's Raptor Rave! Ryan puts forth his best effort in all that he does. He is always respectful and kind to staff and peers. He is a fantastic role model for others. Keep up the great work, Ryan!

7-2 would like to celebrate George Sherlock this month as our Raptor Rave! George is consistently leading by example as he is ready, respectful, and responsible. George is an active learner and is motivated to go above and beyond to be successful academically. Not a day goes by that George isn't wearing a smile, is enthusiastic about school, and is willing to help his peers. Thank you, George, for being so great!

House 7-3 is happy to nominate John Morarend as our November Raptor Rave! John always comes to class prepared and ready to learn. He is respectful as he works collaborates with others. He always has his work completed and goes the extra mile to make sure he understands. Way to go, John!

December erms raptor raves

Hanna Walsh is a great Raptor Rave for House 8-1. She is kind, caring, and a good citizen. She always takes time to do a great job on her work. She is a very dedicated student and lives Roosevelt's 3 Rs. She's always respectful to teachers and peers, she is always responsible with her work, and she comes to class and school ready to learn every day. We are lucky to have Hanna in our House!

House 8-2 is excited to announce that Ava Terwilliger has been selected as our December Raptor Rave. Ava exemplifies the Three R's every single day, and she is a role model for other Roosevelt Raptors. Ava is ready and responsible in all of her classes, and her hard work can be seen through her academic success. Most importantly, Ava is extremely respectful; she is kind and friendly to everyone. Overall, Ava really stands out as an amazing person and a terrific student. We are so happy to have Ava Terwilliger as a part of the 8-2 family!

It is with supreme pleasure that House 8-3 recognizes Lucy Conlon as our Raptor Rave for December. Lucy personifies the 3 R's of ERMS. Every time Lucy comes into our classrooms she greets us with a beautiful smile and a friendly hello. When she leaves the room, she thanks us for teaching her. Wow! Lucy you just make our days! Thanks for being so wonderful and respectful. We appreciate you!

January erms raptor raves

House 6-1 would happily like to recognize Anna Besler as this month's Raptor Rave! Anna's attitude towards school is always so positive. She does everything possible to put forth her best effort in everything she does. Often times, Anna goes above and beyond so that she can stretch her thinking. Within her classrooms, she is seen as a leader because she consistently follows the 3 R's, models excellent behavior and grace, and shares great thoughts and ideas within her assignments as well as within the whole group. We are excited to have Anna in our house and look forward to seeing the many things she does throughout the remainder of this year. Congratulations Anna!

Jessica Montgomery's personality, though quiet and reserved, shines through each and every school day. Not only is she a hard worker in everything she sets out to do, she looks for ways to help others. Additionally, the way that she communicates with peers and adults shows that she is conscientious about the way she speaks to others, showing nothing but respect to those around her. She is also a very consistent and stable student, seemingly not phased by the things that are going on around her. All around, she is a pleasure to have in class. Not only will she always work hard, she has a dry and unsuspecting sense of humor that will put a smile on anyone's face.

With a warm smile and a positive attitude, Jacob is a pleasure to have in House 8-1.

House 8-2 is thrilled to announce that Jackson Vanderheyden has been selected as our January Raptor Rave. Jackson is a role model for other students, and he perfectly represents what it means to be a respectful, responsible, and ready Raptor. Jackson exemplifies the Three R's with his academic and athletic success, which he achieves through hard work and perseverance. In addition to that, Jackson treats everyone with respect and has a positive attitude. Ultimately, Jackson stands out as an awesome student and an all-around great person.

Garden Program information

New Garden Program Launched at ERMS!

The new Eleanor Roosevelt Victory Garden has been established with the completion of the first 5 raised garden beds.

Through the generosity of local donors including The Dubuque Mission (Ashley Neises), B & W Builder (Scott Weimerskirch), DCSD Building and Grounds (Bill Burkhardt), Midwest Organic Solutions (Jake and Craig), and Jim Cushman (community volunteer), 5 very sturdy raised garden beds were constructed of locally harvested and milled pin oak. The beds should last for many years, providing much enjoyment and use by ERMS students and the greater community.

The long-term plan for the ERMS Garden Club is to create an outdoor space where both growing and learning can happen. Organically-grown produce will nourish our students and our neighbors in need. Native pollinator plantings, vegetable beds, compost bins, student seating, bird houses and even fruit trees will be featured.

If you are interested in being a part of this exciting new development, please contact the garden club moderators. And remember, when you plant a garden, you grow minds!

Approval of November Minutes:

Treasurer Report: Mr. Johll said
that this year's was a record-breaking
fundraiser. Money is coming in from
the December dance soon. Laura ap-
proved, Kristy 2nd.

Principal's Report: Mr. Johll reported
that December is a quiet month (MAP,
Gallup Poll, Iowa Youth Survey, ITP
testing are all over for now). Tomorrow
there will be a safety lesson that was
developed by the district (with slight
alterations by Mr. Johll) to help pre-
pare students for the possibility for an
intruder in the building, with the mes-
sage that they will be taught how to be
prepared, but not to worry as this is a
safe school. The new projector is in.

Committee Reports:

Hospitality: Nothing to report

Dance: Mr. Johll said the dance went
ok. He gave kudos to the Roosevelt
staff for all of their help with the dance.
Jinty said that Teresa had some dif-
ficulty finding parent volunteers (likely
because of the times). Mr. Johll re-
ported that there is no attendance gain
by having the dance after school. A
couple parents on the board expressed
that they prefer having the dance right
after school so they don't have to drive
as much and it allows time for other
activities after.

Spirit Wear: Online store closed last
Thursday – there was over \$700 in
sales.

PBIS: There is a PBIS movie day at
the end of the month (the students pick
the movie).

New Business: Jinty talked about Chick-Fil-A. They had a meeting with several PTO people across the district. Jinty thought that the best option for us would be a spirit night. It is held on a Tuesday or a Thursday once per month from 5-8 p.m. We get 10% of the first 49 sales and 15% of any beyond that. They are willing to provide stickers as reminders. It starts in January. Jinty will look into it a little more and let us know whether or not we have to present something to let them know we're from Roosevelt. There will be a PTO sponsored giving tree to help families in need (at each grade level) this month. Student Council will be helping.

FAME: Mr. Johll said there was a nice parent turnout for FAME informational meeting. Kids can still be involved even if parent didn't attend. They need to sign up with Mrs. Lenstra-Norman or Mrs. Scholmeyer.

ERMS Chior news continued...

Congratulations to the following orchestra members who were chosen to participate in the Northeast Iowa String Teachers' Invitational Honors Orchestra on Jan. 7:

Haebin Han, Julianne Nguyen, Aaron Connolly, Payton Kizer, Alura D'Souza, Julia Howes, Sam Sherman, and Jacob Brimeyer. This year the concert will be held here at Roosevelt and the public is invited to attend.

Tickets for the 4:00 concert are \$5 and will be available at the door.

A big thank you goes to the PTO for helping ERMS purchase a new full-size cello. Ava Sigwarth, 8th grader, is shown here with her cello that is now a better fit for her than the $\frac{3}{4}$ sized one.

Many thanks also to the Foundation for Dubuque Public Schools, for the $\frac{1}{4}$ size bass shown here with 6th grader Josie Murphy. Josie has named her bass "Diamond," because it reflects the light and looks shiny.

Honors Orchestra

Haebin Han (left) and Payton Kizer were selected to represent Eleanor Roosevelt Middle School at the Iowa Junior Honors Orchestra Festival at ISU in Ames on November 18. The girls, both 8th graders, were among only 160 string players state-wide to participate in this event. Haebin is concertmaster of the ERMS 7th & 8th grade orchestra and Payton is the principal violist.

Important Info

Reminder: Our school wants your used ink cartridges!

Hey Roosevelt Raptors, you have continued to erase your carbon footprints just by turning in toner cartridges and ink jet cartridges to the LRC!

Recycling saves renewable natural resources and offsets harmful CO2 emissions. For 2016, we have collected 58 lbs. of cartridges. Our environmental impact is equal to offset CO2 emissions for the consumption of 62 gallons of gasoline. Way to go!

Please keep collecting and turning in the cartridges. Ask mom, dad, grandma, grandpa, and their place of business to join in! Also, a huge thank you to our business partner, HyVee.
