Read Across America

Our first graders are hosting a service project for our entire school. Tomorrow, Friday, March 2, our first graders have written letters to a variety of school and community leaders to come to read. Each class will have a special reader come to visit their classroom. The first graders have worked hard to organize this fun event for all of the students in our school.

2nd Trimester Progress/Standards Reports are Ready

We have finished the 2nd trimester already and progress/standards reports will be ready for parents to print Monday, March 5th. Just a reminder that these reports are not sent home. Instead, parents need to go into PowerSchool to access the reports. If you have difficulty accessing these reports, please contact school.

**Check your child's take-home folder
tonight for information about how to
access the progress/standards reports!**

Family Night

On March 15th from 6:30-7:30 pm, we invite all families to join us for an evening of fun activities. Families will travel from station to station throughout the school to participate in a variety of activities that draw awareness to our school's focus on character education. Keep watching for more details!

Site Council

A Site Council meeting is scheduled for Thursday, March 8. The agenda includes: finalizing the design for the outdoor character traits banners, reviewing winter student achievement, and discussing the school implication of the DCSD equity study. If information is available regarding the selection process for the new principal, we will also discuss that process.

Mark Your Calendar for District Music Festivals

If your child is in band, orchestra or choir, please note the upcoming concert dates for your children. All of these concerts begin at 6:30pm and will be held at the Grand River Center. Our students will be joining students from other schools. Thanks to Mrs. Sellers, Ms. Tieskotter and Mr. Enabnit for their dedication to the students in these activities.
