“A BED OF HOPE” 1st GRADE SERVICE PROJECT

First graders at Bryant School are learning about families and we are discovering that each family has needs and wants. One of every family's needs is shelter, and everyone needs a bed. Yet, every night in our community there are homeless women and children without a place to sleep. As a school-wide service project, the first grade class is sponsoring a project called “A Bed of Hope” through the organization *Opening Doors*. This organization operates two shelters for women and children, the Maria House and the Teresa Shelter. A donation of \$10.00 could provide a bed for one night to someone who does not have a place to sleep. Our goal is to collect donations from each classroom to provide beds for families in our community. It is our hope that each classroom could provide at least one bed for someone in our community who is without a place to sleep. Between March 29th and April 15th, each classroom is invited to participate in this project. The first graders will appreciate any amount you can donate, and no amount is too small.

Having a place to sleep is a very precious need we all enjoy and appreciate. Let's help families in our community experience this basic need. With your gift to “A Bed of Hope,” we can do it! We can change the lives of families and grow in appreciation for one of our own basic needs. Thank you for your help in this service project!

ELEMENTARY OPEN ENROLLMENT FOR 2016-2017

Our objective as a district is to be as accommodating as possible, however, because of class size limitations, applications must be juried on criteria such as medical or legal reasons, documented change of address, sibling or parent in the same building, etc.

- Review the In-District Open Enrollment Policy (#6218) prior to completing an application.
- Elementary application are available beginning March 15, 2016. Deadline for submission is May 2, 2015. Note the deadline for submission of applications to the superintendent's office.
- To be sure that your application is processed, do not submit applications to a school. Instead, mail or deliver directly to the District Office (The Forum) at 2300 Chaney Road, Dubuque, Iowa 52001.

BRIDGE TO READING: PICTURE BOOK AWARD

From March 7 to March 21, preschoolers and kindergarteners at Bryant participated in the fourth annual Bridge to Reading Picture Book Award. The purpose of this award is to promote early literacy and reading to children through the introduction of quality picture books nominated by a committee of librarians, teachers, preschool and early literacy leaders. The award books were chosen based on quality and characteristics of a good "read aloud". Each day, students had the opportunity to hear one of the 10 nominated picture books read aloud. At the end of the tenth day, students voted for their favorite "read aloud." Their votes will be sent to the Bridge to Reading committee to be added to the votes from other students. The winner will be announced in early May.
