District-wide Professional
Development Day
NO SCHOOL
February 10

From Ms. McCarron

What a crazy week it has been! I know how hard changes in schedules can be. I appreciate that even through the challenges of these schedule changes, you work hard to see that your children arrive at school on time. Your attention to this not only supports the learning of your own child, but helps the teacher to maximize learning for everyone.

In service with you,

Chris McCarron

Preschool Registration for 2017-2108

It is hard to believe, but planning for the 2017-2018 school year has begun! Registration for the DCSD preschools will be held on Monday, February 6th at 7:30 am. All preschools across our district will host registration on this day.

There are only two requirements for your child to attend the Free Four-Year Old program:

1. Your child must be 4 on or before September 15th, 2017
2. Your child must be a resident of Iowa

You may register your child for any preschool program within the district: there are no specific attendance boundaries. Although Bryant would love to have your child attend here if this is your homeschool for kindergarten, there are a limited number of slots for preschool at each school. Attending Bryant may not be possible. Even if your child will not be able to attend Bryant, don't miss out on this wonderful experience. Every school will offer a great beginning to our young learners.

The doors for registration will not open until 7:30 at all schools so that all families have equal opportunity to register. Openings will be filled on a first-come basis. You may go on to the district website to obtain the forms for registration. Complete the forms and bring them with you to registration. This will speed up the time that it takes for enrollment.

To register your child, please make sure that you bring along your child's birth certificate for proof of age. We also can accept passports or signed immunization certificates.

3rd Grade to the Heritage Center

Our 3rd graders will be heading to the University of Dubuque's Heritage Center on January 30th to see the play, "Everybody's Hero: Jackie Robinson's Story." This special opportunity is funded by the Bryant BFO and is an example of how the money raised through the Walk Around is used to support the students here at Bryant. In addition to the BFO, some parents are making donations to help cover the expense of the play. These donations help the BFO funds to stretch even farther so that the group can use funds to support additional school programs, projects or materials.

ITP Results

The ITP results for students in grades 3 through 5 have returned to the schools. These forms are the results from the assessment taken earlier in the fall. The ITP results will be sent home on next Thursday, January 26th. Be sure to look for them in your child's book back. Included in each envelope is your child's report called a "Profile Narrative" and an informational letter that provides you with guidance to aid in interpretation of the report. If you would like additional assistance in understanding the report, please feel free to contact Ms. McCarron, and she would be happy to discuss the report with you.

Bryant students are surrounded by people who "cares a whole awful lot!"

"Unless some like you cares a whole awful lot, nothing is going to get better. It's not."

Dr. Seuss, The Lorax
