## Progress Reports

Look in your child's backpack tomorrow for the 2<sup>nd</sup> trimester progress report. The end of second trimester and conferences both coincided this year. So even though you had a chance to hear some things about your child's performance this year, the progress report will provide you with a different look at your child's performance in school. After reading the progress report, please return the envelope to school so that we might use it again at the end of the school year.

## Spring Break

This upcoming week, is the district's SPRING BREAK. Friday is our last day of school. Students will return to school on Monday, March 20<sup>th</sup>. I hope that you enjoy this family time. For those of you who are taking advantage of this time and traveling, we wish you safe travels!

## Conference Attendance

Thanks to each of you who attended at our spring conferences! We had wonderful attendance. We hope that this face-to-face discussion with teachers provided you both with opportunity to learn about your child's progress, but also to discuss any questions that you might have. Please remember that communication with your child's teacher is not limited to conferences. The teachers are always happy to talk with in on the phone, through email or in person.

## Bryant Skate Party

The BFO is sponsoring a Bryant Skate Party at Skate Country from 6:00-8:00pm on Thursday, March 23. This will be a great opportunity for kids to get together for a social event after being off for a week. The profits raised through this event provides the BFO with funding that supports school programs. Don't let this fun activity pass you by!
