Open Enrollment

Many of the students who attend Bryant are able to do so through the DCSD Open Enrollment Policy. The open enrollment status is only granted on a one-year basis. It is necessary for families to complete the open enrollment paperwork each year in order to seek approval for the upcoming year. If families do not complete the open enrollment paperwork, it is assumed that your children are returning to their home school. The DCSD open enrollment period is now open. Applications are available at the DCSD website, can be picked up at the Forum, or copies are available at the Bryant office. The deadline for returning the form is May 1, 2017.
