## Staff Appreciation Week

Today we wrap up a week of celebrating the dedicated staff of Bryant School. Each day, I have the privilege of watching the entire staff do their “magic” with and for our students! There is no greater joy than to see the connection between our school staff and the students as they join in learning together. Regardless of the role in which a person serves on the Bryant staff, their contribution and dedication is critical to the success of our students. May our celebration of their work not only be celebrated this week, but be admired and support each and every day.

A special thanks to the BFO and all of the families who reached out to share gratitude with the staff. Special thanks for all of the goodies provided throughout the week! We loved each day’s special treat.

Ms. McCarron
