Wed Jan 3

- Orchestra 3-3:45 pm

Thurs Jan 4

- Choir 7:30 am

Fri Jan 5

- 1 Hour Late Arrival

Holiday Greetings from the Bryant Staff

It is hard to believe that we have already arrived at our winter break. The kids are excited for our upcoming vacation. They have been enthusiastically sharing their plans, family traditions, upcoming vacations, news of visitors who will soon to be arriving, favorite treats that await, and all of the wishes they hope will come true.

The Bryant staff extends holiday greetings to all of our families! We appreciate the gift of spending our days with your children! May 2018 be filled with gentleness and kindness!

VACATION DECEMBER 25 through JANUARY 2
Classes Resume January 3

BFO Sponsored Cookie Walk

Once again, a very BIG THANKS to the generosity of the BFO! On Monday, parents brought in wonderful cookies and candies for all of the staff at Bryant. Each staff member was able to select goodies and make a plate of treats to take home. Thanks to all of the bakers and candy makers. Thanks to Brooke Ellis for setting up for the event!

Superintendent Stan Rheingans Visits Bryant

On January 11th at 6:00 pm, Superintendent of the Dubuque Community School District, Stan Rheingans, will come to Bryant to speak with parents. The BFO is sponsoring this informational session, and it will take place in the library. Mr. Rheingans will share an update on our district initiatives and budget, as well as educational legislation that affects our school. We would like a full house to welcome Mr. Rheingans.

Community Gathering Friday, December 22

Our 2nd grade students have been busy planning our next Community Gathering scheduled for Friday, December 22nd at 2:15. We can't wait to see what they have planned! As always, parents are welcome to join us for our Community Gatherings.

Safety Drill

Each year, all schools provide instruction to students regarding what to do in case of an emergency. This practice helps to prepare students in the event that the school would ever need to lock down for safety, should there be an intruder or some other unsafe situation within the school. All K through 5 students will participate in the lesson within their classroom to teach these safety precautions. The district has created a common lesson for teachers to use that is accompanied by an age- appropriate video that is used in the elementary schools. The discussion is handled in the same type of manner as safety lessons for fire and severe weather. All classes at Bryant will teach the lesson during the first two weeks of January.

Bryant Apparel Order

If you purchased apparel, it will be sent home with students today. If you requested it to be held in the office, it is available for pick anytime during our office hours 7:00am-4:00pm.

Upcoming Calendar Events for January
