CONFERENCES FOR TONIGHT CANCELED

We will contact you with the date that we will reschedule tonight's conferences. We will have conferences next Tuesday evening, February 13th and the morning of Thursday, February 15th. If you do not remember the time or date of your conference, please contact the office. **There will be NO SCHOOL on Thursday, February 15th or Friday, February 16th.**

There is so much to talk about at conferences. The time goes so quickly! If there is certain information that you would like to discuss with the teacher, please be sure to ask so that teacher is sure to cover that information. It is hard to believe, but this will be the last scheduled conference of this school year. It will be exciting to learn about all the growth that you child has made so far this year.

Congratulations

Congratulations to Claire Hoyer for earning a place in the Young Musicians' Honor Band that will perform in Cedar Rapids. What an accomplishment!

Bryant Skate Party

Our BFO is sponsoring a skate party on Monday, February 19th from 6:00-8:00 pm. The money raised from this fun event helps to support the work that the BFO does for our school. What a great opportunity to both support Bryant AND to have FUN WITH FRIENDS!

Valentines

Many of the classes are having some kind of celebration of friendship on Wednesday, February 14th. The BFO will generously provide Rice Krispy treats for all of the students. We ask that no other treats or candy be sent with your child. We have students with allergies and we would not want to endanger any of the students. If you are sending Valentines with your child, make sure they do not include edible treats.

Mr. Rheingans' Bryant Visit Rescheduled

Mark your calendars! Mr. Stan Rheingans will be at Bryant on February 22nd at 6:30 to meet with the Site Council and any interested parents. All parents are welcome to join us for this special opportunity.

Community Gathering

Our next Community Gathering is scheduled for Friday, February 23rd at 2:15. Our 1st grade classes will be hosting this Gathering. They will be kicking off a Read Across America Event that will be held on March 2nd. We can't wait to hear their plans for this special event.

Flu Season

Unfortunately, the flu has become a regular visitor to our school. We would love to send it away! It is important to keep your child home if he/she is sick. Any child with a temperature should stay home for 24 hours after the temperature returns to normal, WITHOUT the need for medication to do so. If your child is staying home, please remember to call school to report the absence. Remind your children that the best defense against the spread of the germs is to wash hands!
