Kinder-Kamp June 18 - 22

(Kindergarten) Our Kinder-Kamp program offers exciting topics each day! We'll play games, explore nature, meet live animals, visit the new Da Vinci exhibit, and make crafts to take home. This is a half-day program with morning and afternoon sessions available.

DaVinci June 25 - 29 or July 9 - 13

(1st-5th grades) Take a journey of innovation, creativity, and wonder based on Leonardo da Vinci's famed inventions. Interact with flying objects, create art, and use your imagination to make your own inventions. Join us as we bring Leonardo da Vinci to life! Last day of this camp will take place at Mines of Spain! Full or half-day sessions available.

Hands-on History at the Ham House July 16-20

(1st-5th grades) Return to the days of yore at the Mathias Ham Historic Site! We'll bring history to life as we experience what Dubuque was like for the Native Americans and pioneers who settled here many years ago. Full or half-day sessions available.

Outdoor Odyssey July 16 - 20

(6th-8th grades) Take summer camp to the next level! This advanced camp will take middle school students on off-campus adventures throughout the Dubuque area. Our week will conclude with a night among the fishes at the Museum & Aquarium. You won't want to miss this one! Full-day camp. Thursday begins at 9 a.m.; however, students will spend the night at the Museum & Aquarium that evening. Student pick up will be Friday at noon.

Wings and Things July 23 - 27

(1st-5th grades) From butterflies to birds, flying animals come in all shapes and sizes. We'll explore the NMRMA campus to observe many things with wings! Last day of this camp will take place at Mines of Spain! Last day of this camp will take place at Mines of Spain! Full or half-day sessions available.

The Big Blue July 30 - August 3

(1st-5th grades) Make some waves with us as we spend a week discovering the secrets of the deep and the mysterious animals found beyond the water's edge. It will be fin-tastic! Last day of this camp will take place at Mines of Spain! Full or half-day sessions available.

Around the World August 6 - 10

(1st-5th grades) Are you ready for a worldwide adventure? We'll explore cultural traditions, plants and wildlife, and modes of transportation from across the globe. Last day of this camp will take place at Mines of Spain! Full or half-day sessions available.
